

S. 3285

IN THE SENATE OF THE UNITED STATES

APRIL 26 (calendar day, MAY 9), 1934

Referred to the Committee on Interstate Commerce and ordered to be printed

AMENDMENT

Intended to be proposed by Mr. DILL to the bill (S. 3285) to provide for the regulation of interstate and foreign communications by wire or radio, and for other purposes, viz: On page 52, after line 3, insert a new paragraph as follows:

1 (f) In granting applications for licenses or renewal of
2 licenses for frequencies to be used for broadcasting, the Com-
3 mission shall so distribute such licenses that no one licensee
4 nor organization of licensees, whether effected by purchase,
5 lease, chain broadcasting, or other method, shall be able to
6 monopolize or exercise dominant control over the broadcast-
7 ing facilities of any community, city, or State, or over the
8 country as a whole; and the Commission shall, so far as
9 possible, by its distribution of licenses, provide for broad
10 diversification and free competition in broadcast programs
11 to be presented to radio listeners.
